### GIVING THANKS TO THE LORD FOR HIS GRACE

We praise the Lord for his grace towards us over the past two months as we continue on deputation. He has kept us safe on the road despite the winter weather. He has also blessed our ministry with some new partnering churches. As a result we are almost to the halfway point of our needed support! Praise the Lord! We have been told the second half of deputation goes faster and we are looking forward to seeing the Lord continue to provide. Additionally, while on deputation we have enjoyed the many opportunities God has given us to offer encouragement from the scriptures to people in various life situations. We have seen several individuals and families surrender their lives to missions and make other decisions for God's glory during these past two months. We give thanks to the Lord for his great grace at work as we simply teach and preach the Bible.

### PRAYER REQUESTS

Please continue to pray that 1.) God would give us safety as we travel. Over the next two months we are scheduled to travel 3,500 miles. 2.) God would lead more churches to partner with our ministry. 3.) God would continue to grow our family in the grace and knowledge of Jesus Christ.

### HOME FOR THE HOLIDAYS

We have been teaching churches about Japan nonstop since the first week of September. We are thankful for the break we had for the week of Thanksgiving and spent it with some of Jenelle's family and our sending church family. We give thanks this year especially for Phoebe Joy. We have a few more churches still to present at before the end of the year. Lord willing, after we present at these churches we look forward to celebrating the birth of Jesus Christ with our sending church.

Merry Christmas and thanks for your continued prayers and support!
