THE LATEST NEWS FROM THE FRONT IN FAR EAST ASIA

SEPTEMBER - OCTOBER 2015

PRE-FIELD MINISTRY IN MISSOURI, NEW MEXICO, KENTUCKY, TENNESSEE, GEORGIA, KANSAS, AND TEXAS

THE LORD IS PROVIDER

Our ministry has been greatly blessed this Fall as our schedule has been full of missions conferences. We have been in back-to-back conferences since mid-September. During this time the Lord has provided an abundance of new monthly financial ministry partners which brings us to **78% of our monthly needed donations**. This is the fastest increase in support that we have seen since we started deputation. Additionally, during this time, God has provided for about 16% of our startup costs that are needed for us to transition to living in Japan. These costs include our Japanese language school tuition, children's school tuition, and moving expenses. Your sacrificial giving reminds us of 1 John 3:18 where John encouraged his children in the faith to not just express love in words but in deed and in truth. Truly your Christ-like love has been demonstrated towards us and the Japanese people by his work through you. Join us in praising the Lord for his provision! If you'd like to find out more about how you can help with our ministry's startup costs, you can find details on our ministry's website www.reachjapan.org.

COMING SOON TO JAPAN: THE MCCOWN FAMILY

Lord willing, we will be moving to Japan sometime around this Summer. If you're interested in partnering with our ministry and have not yet had us present our ministry at your church, we still have some open dates on our calendar when we could come and do so. Please take the opportunity to call me today to schedule us to present our ministry in your church. If we've already presented our ministry at your church and you have not yet

partnered with our ministry on a monthly financial basis, now is the time!

We look forward to what the Lord is going to do through our partnership together to plant Japanese speaking, gospel preaching, Bible believing baptist churches in Japan, where there are over 570 cities and towns that still don't have any Christian churches whatsoever. Pray earnestly to the Lord of the harvest to send forth laborers into his harvest.
