LANGUAGE LEARNING AND MINISTRY IN JAPAN

JUNIOR CAMP

Two weeks ago, the teenagers from our church attended a Baptist camp during spring break at the base of Mt. Fuji. One of our drivers was unavailable because of sickness in the family, so I was blessed with the opportunity to drive for my first time here in Japan. We praise the Lord for his protection during the three-hour drive on the opposite side of the road from what I'm used to. During the camp, the gospel was clearly preached and the Lord worked in the hearts of many children. We praise the Lord for what he is doing in the hearts of our campers.

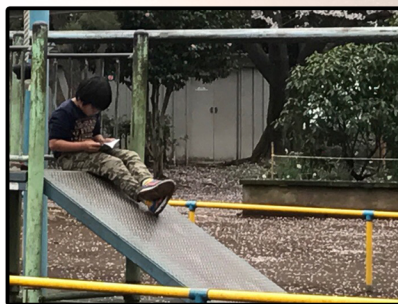

HEALTH UPDATE

Isaac's arm is healing well and he is pretty much back to normal. While at camp I caught Influenza, and shared it with everyone back at home. This did significantly interrupt our plans this month. However, we praise the Lord that we have all since recovered and are back into the routine of language study and ministry. We are progressing in our language courses. Please pray that we would retain what we study.

CHURCH MINISTRY

The teaching ministry is going as expected. Please pray that as the Bible is taught, that God would continue to strengthen the faith of our brothers and sisters at Wakaba Bible Baptist Church and that Christ would receive all the glory.

EVANGELISM

Since we are new in our community we have started meeting our neighbors and have been practicing our Japanese on them. Our kids have been making new friends as well. We've been giving out gospels of John to people we have been meeting. Please pray that these new contacts would trust Jesus as Lord and Savior.
