LANGUAGE LEARNING AND MINISTRY IN JAPAN

HOSPITALITY MINISTRY

This past month we hosted our friends Dale and Jessie Lindberg in our home. While they were visiting they took several opportunities to share the gospel in testimony and song. We praise the Lord for his work in their lives. Next month we plan to host Jenelle's mom. Please pray for her trip.

LANGUAGE LEARNING

Recently I switched from taking language school classes in the afternoon to taking them in the morning. There are many more English speakers in my new class, which has given me opportunities for gospel oriented conversations. Please pray for my new classmates and for my family's language learning.

TYPHOONS AND EARTHQUAKES

Two weeks ago we were affected by two typhoons within one week. One of the typhoons went directly over us. It rained for about a week straight and there was an emergency alert pushed to our area when a levy was at risk for breaching, but the levy held. We've also had several earthquakes in this time, but neither the typhoons or earthquakes caused any damage in our area. We praise God for his mercy and grace.

MISSIONS CONFERENCE

This month we are having a missions conference at our church. Please pray that our church would grow in its desire to see people from all nations, kindreds, peoples, and tongues worship our Lord and Savior Jesus Christ. We have a missionary to Senegal that will be speaking.

CAMPER

While we were doing our pre-field ministry, we lived in a camper that we towed behind our truck. It's been for sale since January. Thank you for your prayers regarding this. We praise the Lord that it sold last week. This is a big relief to us. Thank you for your prayers and support of our ministry.
