LANGUAGE LEARNING AND MINISTRY IN JAPAN

JUNIOR CAMP

This past month our church hosted this year's junior camp attended by churches in our national fellowship. We were so excited to see God at work in several ways. First, Wakaba Bible Baptist Church isn't the biggest church, but because we serve a great and gracious God, he worked through the camp to bring Japanese people to himself for his own glory. Second, over a three day period, several Japanese pastors taught the Bible. When we see Japanese men teach the Bible faithfully it is such an encouragement to our hearts because we know God is doing many things in a way that is not hindered by the communication barriers that we face when we teach and preach. Please pray that God would raise up many more Japanese men to teach and preach the Bible.

NEW SCHOOL YEAR

We are thankful to God for your faithful support as we continue to learn Japanese. This year we are continuing to increase our pace. Tim started his second year of language school, Jenelle started attending conversation classes in addition to studying at the Kumon center, and our children are now learning by full-time immersion in school. Increasing our pace has served to increase our reliance on God's grace and his gifting of those in our church who can translate and help us navigate school enrollment procedures successfully. We praise God that he gives his church the right gifts at the right time so that we can all glorify Christ together by serving one another and the Lord with joy.

NEW CONTACTS

Our children attending school has given us and others in our church more opportunities to build relationships with people that we would have otherwise not have had. Please pray that our new acquaintances would come to trust Christ as Lord and Savior. Thank you for your prayers and support.
