LANGUAGE LEARNING AND MINISTRY IN JAPAN

JENELLE'S LANGUAGE LEARNING

Our last newsletter mentioned that Jenelle would be starting language school. She is now a first year student at the same language school that I have been studying at. She's a full-time student, which means that in addition to her normal activities, she now has around six hours a day of Japanese language study. Thank you to those of you who prayed for her during this transition. Also, several of you donated generously to help offset the cost of her monthly language school tuition, which is expensive. This has been an encouragement. Thank you for your donations. We have a strong desire to learn the Japanese language well so that we can better communicate.

BUILDING RELATIONSHIPS IN OUR COMMUNITY

In order to build relationships with people we have been engaging in various kinds of community projects. Jenelle volunteered for a fall festival day at Phoebe's school and I was able to volunteer in the sports festival. Our boys are also developing many meaningful relationships in their Japanese elementary school and junior high school. Please pray for these relationships that they may lead to many more gospel conversations and that Christ would continue to build his church here in Japan.

UPCOMING GOSPEL OPPORTUNITIES

As Christmas quickly approaches, our church has many opportunities to communicate the gospel message to our community. Please pray that the gospel will bear fruit among those who hear it.
