PREACHING CHRIST AND HIM CRUCIFIED IN JAPAN

Greetings in the name of our Lord and Savior Jesus Christ. In the last newsletter we informed you of some health issues that we were going through. We praise the Lord that we have since recovered from our illnesses and are healthy again. Concerning the Coronavirus outbreak here in Japan, the country was under emergency restrictions for some time. Now those restrictions have been lifted and new precautions are in place. Through all of this we have been blessed to be able to continue doing our weekly ministry events and community outreach. Social distancing precautions have altered the way that we do ministry as we have sought to comply with government recommendations. In addition to doing outreach and services the traditional way we have been doing them over the Internet as well. Here are some things to pray for:

- Pray for the salvation of those that we are continuing to teach the gospel to. Several families we have been studying the Bible with now understand the gospel but have yet to respond in faith.
- Pray for continued growth in Christ-likeness for those that believe the gospel.

- In addition to our evangelistic Bible studies, for the past month we have been preaching and teaching through the wisdom writings of Solomon and how they point us to the all-sufficient wisdom that we have in Christ (Colossians 2:3). Please pray that God would accomplish his will through the preaching of his word.

- Pray for our children as they transition into the new school year. Two of them have started attending new schools.
- Please pray for the Japanese government to make wise decisions about easing international travel. There are several people that want to visit us.

Thank you for your continued prayers and support of the proclamation of Christ here in Japan.

Simon, Isaac, Elisha, & Phoebe
