PREACHING CHRIST AND HIM CRUCIFIED IN JAPAN

FAMILY UPDATE: Simon, Isaac, and Elisha have finished studying at Japanese school. We are very thankful for the quality education they received and for the ongoing relationships with people in our community that resulted from their time there. The boys are now studying in English at an online school to prepare them for college. Readjusting to a quality education in English has been a steep learning curve for them. Jenelle is busy every day helping with their education. However, Phoebe recently started at the Japanese elementary school and has been busy studying Japanese and making new friends.

HEALTH UPDATE: This last week while at school, Phoebe fell down the stairs and injured her head. They took her to hospital by ambulance where she received a brain CT scan and a staple in her forehead to close the wound. She seems fine now. Please pray for no complications.

MINISTRY UPDATE: We praise the Lord for his grace as he accomplishes his work through you as you prayerfully and financially support the work of Christ in Japan. Thank you. Tim has been continuing to preach through the gospels on Sunday mornings and is teaching a new members class in the afternoon. Jenelle has been teaching the children's lessons on Sunday mornings. Also we continue to do various outreaches to our local community. Please pray that God would continue to work through the

preaching of Christ and him crucified. Also please pray for the several new visitors that have come to our services recently.
