PREACHING CHRIST AND HIM CRUCIFIED IN JAPAN

In July and August we had the opportunity to travel from Japan to Missouri for a short time of refreshment as well as preaching and presenting to some supporting churches, including our sending church. There are many of you we wish we could have seen, but our ability to travel was limited. We were very encouraged by the Christian love and hospitality that was shown by the churches we visited. In addition, while in Missouri, we were able to continue to preach and teach by livestreaming back to the church in Japan. We praise the Lord for the blessings of such technologies. We safely returned to Japan and we are looking forward to gathering with the church here in Japan once again. As we continue the ministry in Sakado, there are several things you can pray for.

- Pray that we would continue to be well both physically and spiritually.
- Pray that those taught to follow Christ would continue to follow Him both in their thinking and the way that they live.
- Pray that biblically qualified pastors in Japan would be trained and appointed for the sake of Christ's name.
- Pray that people in Japan would look to Christ for salvation and not to created things, systems of thought, or other people.

- Pray that our relationships with other preachers of the gospel in Japan would continue to grow and thrive. Thank you for your continued prayers and support!
