PREACHING CHRIST AND HIM CRUCIFIED IN JAPAN

Happy Thanksgiving! Please praise God with us for his continued grace to us through our Lord Jesus Christ. This month we celebrated Thanksgiving with some fellow believers and friends from our community. We praise the Lord for the opportunity to celebrate the many blessings we have because of God's grace to us through faith in Christ. Please pray that our non-believing friends would repent of their unbelief and have faith in Christ. Recently, we've seen more openness in our community towards attending our outreach events, and more regular attendance among those that come to church services. We think this is due to the recent sharp decline in COVID infections in Japan. In our church services, we've just finished up teaching, preaching, and reading through the synoptic gospels. Please pray that the Lord would continue to grow His church as we continue teaching through the book of Acts. We're thankful that the Lord has continued to enable ongoing fellowship with other pastors and missionaries in our area. Please pray that the Lord would continue to raise up additional church planters and pastors, and continue to sanctify and build Christ's Church in Sakado and the surrounding communities. There are several missionaries trying to get into Japan

right now but are waiting on the government to reopen the border. Please pray with us to that end. Thank you for your prayers and ongoing support of the Lord's work in Japan!
