PREACHING CHRIST AND HIM CRUCIFIED IN JAPAN

Grace and peace to you through our Lord and Savior Jesus Christ. This past month we celebrated our five year anniversary of serving as missionaries in Japan. We praise Christ for his finished work and what it continues to accomplish here. During our Sunday services we've continued to teach through Acts and the Epistles. There have been several new attendees recently. Please pray that the preaching of Christ and him crucified would confront each hearer to continue to repent and have faith in Christ. God has given us several opportunities to share the gospel apart from church services during outreach events. We have been repeatedly blessed to have the opportunity to teach the good news about Jesus to some individuals that had never heard it before. Our family is doing well. We continue to build trust with our community for the sake of blessing them by sharing Christ with them. Our children continue to build relationships within the community. Phoebe has continued in a Japanese elementary school and is excelling in her abilities. Her artwork was recently awarded and put on display at a regional gallery. Simon and Isaac are now taking college classes as they finish up their final years in high school. Elisha is now enrolled in high school. Jenelle has continued to teach English as

a foreign language to build connections within the community, although COVID restrictions have made it more difficult.

Please pray that Christ would

continue to build his church in Japan. Thank you for your continued support.
