PREACHING CHRIST AND HIM CRUCIFIED IN JAPAN

Grace and peace to you through our Lord and Savior Jesus Christ. Thank you for your prayers for the Japanese school teacher in our last newsletter. She recently committed to coming to another church service and a gospel study to learn more about Christianity. Additionally, Simon has started sharing the gospel with one of his friends over the past two weeks. Please pray for him.

We have recently started teaching back through Genesis during our bilingual church services. Please continue to pray that God would bless the teaching of the Word, and that Christ's little flock would continue to repent with faith in Christ together.

Thank you for praying regarding the COVID situation in Japan. The border situation is still tight and the government is not yet allowing open tourism or mission trips, but they are permitting one of our family members to come and visit. This will allow our children to see their grandma here in Japan for the first time in three years, which is exciting for all of us. Please pray for her upcoming travel.

We've been able to fellowship over the last few months with various missionaries, Japanese pastors, and other Christians. Please continue to pray that God would continue to bless our growing fellowship.

Our children are going to start graduating high school soon, so please pray for wisdom regarding college and career decisions. Thank you for your continued prayers and financial support.
